

Curriculum vitae

Ronald Rietveld

Education: Academy of Architecture in Amsterdam (cum laude)

Primary education in landscape architecture: Hogeschool Larenstein

Nationality: NL

Ronald Rietveld graduated in 2003 at the Academy of Architecture in Amsterdam, specialization landscape architecture. In 2004 his graduation project "Delta Works 2.0" was awarded with the ARCHIPRIX (third prize). After winning the Prix de Rome Architecture (first prize) in 2006 he started his own design and research office Rietveld Landscape together with his brother Erik (Fellow in Philosophy at Harvard University).

Clients of Rietveld Landscape are the Port of Rotterdam, the New Dutch Waterline, several regional and local governments, companies and individuals.

Ronald Rietveld presents frequently at symposia and conferences and is a lecturer of the Master's program at the Design Academy Eindhoven. He has also lectured at various other schools in the Netherlands such as the Academy of Architecture in Amsterdam, Academy of Architecture in Rotterdam and TU- Delft.
